“ My Memories of Mike.....

*I had the fortunate pleasure to have Mike as a big part of my life for the past forty-two years. He and my sister started dating when I was around 18 or 19. Since my sister and I are so close I naturally became very close to Mike. He was always a part of my life. Thinking back I remember so many wonderful things about him. I'll never forget his distinct voice and mannerisms. I'm sure we will be telling funny Mike stories for many years to come. He was always there for me when I needed someone to help me move in my younger years. He was there for me when I needed help getting our Christmas tree set up after Louis broke his leg. He was good to my four daughters. He really cared about their well-being. Once he gave Sarah a Christmas tree that my sister said she wasn't thrilled about. He went to Sarah's apartment and set it up for her, even gave her a tree stand. I'm thankful that she got to spend some time with him the week he stayed at a light house. I'll always remember the time we rented a cottage up North together and all the fun we had that week from sitting on the dock, sitting around the camp fire, going to the Cherry Pit, the dunes, the drive-in, and just having a good old time. Oh, we had so many wonderful times together celebrating birthdays, weddings, baptisms, graduations, and holidays. For the holidays we were either at his house, my house, or my parents house. His family, parents, siblings, aunt and uncle, felt like an extension of our family. We are a very close family. Most recently I woke one morning to a call from Mike. He enthusiastically invited me to come to Arizona with Carol and him. He said it would be his treat. That was an offer I couldn't refuse. We got to see the Grand Canyon, Sedona, Botanical Gardens and we had some really nice dinners. RIP Mike, Love "Aunt Jan"*

“ Carol, Michael, Matthew, Desiree and Megan -

*We cant begin to tell you how very saddened and shocked we are by Mike's passing. We spoke to him several months ago and talked about getting together but never did. We really regret we didn't.*

*We had so many good times with you guys when our kids were young. The time we went to Torch Lake and rented a cabin and it rained just about the entire week. Mike would bike into town and stop at the bakery and bring us muffins for breakfast. We had such a good time together.*

*Mike was such a kind, caring person. We will truly miss him. Our hearts ache right now for all of you. Our thoughts and prayers are with you.*
