“ Larry, Pam and Christy,
Our hearts go out to you all for the loss of such a wonderful son and brother. We have enjoyed watching your family through the years of waiting on you at The Pantry Restaurant. We have gotten to know your whole family and you all are such a blessing to us and each other. Michael was a hoot when he would come in and give us all a hard time especially me. (Lisa) He will be greatly missed. The staff at the Pantry send our condolences and prayers and hugs for your entire family. God Bless You all.

“ *I had the honour of coaching Mike on my 3 coaching trips to Detroit RFC, not only did he give 100% on the training paddock and on the playing field, but he was a top bloke off it, always wanting to chat and get more knowledge, but also chat as mates and although I've not seen him since 2002, that's what I will always consider him to be, along with the rest of the Detroit boys and girls of that era, a rugby mate! My sincere and heartfelt condolences from Wales go out to Mike's family, friends and of course rugby brothers and sisters at Detroit RFC, I know you'll all be saddened by the loss of one of life's very best. R.I.P. Mike.*

Mike was the first in line of the cousins. We are a close family so his coming had the whole family excited. Then came a long line of girls. He was so excited when I had my first. He was hoping for a boy. I delivered (Chris). Mike was so excited. Mike has always good to my kids and I loved him even more for that. The one food that he liked when he came was for macaroni and cheese. According to them, I made it best. Mike, you will be missed. It is so warming to know that you are out of pain and standing by GOD.
