April 29, 1962 - December 12, 2023

Mount Clemens, Michigan - Michael P. Wyon, age 61, passed away on December 12, 2023 in Mount Clemens, Michigan. He was born on April 29, 1962, in Detroit, MI, to Margaret Wyon and the late Ralph E. Wyon.

Michael was a hardworking and versatile man who lived his entire life in Harrison Twp. He attended Lanse Cruise High School North and pursued a successful career as a Machinist/Machine Builder. He was highly skilled and dedicated to his craft. As a "jack of all trades," he could fix, build, and tackle anything. Michael found solace and community at St. Louis Catholic Parish, where he worshipped and played in the handbell choir. Despite his stubbornness and occasional loud demeanor, he left a lasting impact on those who knew him. His presence in any room was unmistakable, marked by his strong convictions and unfiltered opinions. In his free time, Michael enjoyed camping, boating, working on cars, and building and fixing anything that came his way. Above all, he cherished his role as a father. He was a supportive father, coaching Emily Rose in softball and encouraging her pursuit of art & design. He was a loving presence in her life, sacrificing for her upbringing and leaving her with valuable life skills. In the end, Michael's legacy is one of pride, strength, determination, and the enduring impact he had on the lives of those around him.

Michael is survived by his beloved daughter, Emily Rose. He is also survived

by his mother, Margaret Wyon, former spouse, Claudia Bokuniewicz, and his sisters: Cheryl Ann (Dean) Dubay, KimMarie Nagle, Martha (David) DenBaas, and Anita (Jeff) Lemanski. He will be deeply missed by his many nieces and nephews and greats. He was preceded in death by his father, Ralph E. Wyon.

“ I will never forget my many weekends spent camping with Uncle Mike, Aunt Claudia & Emily. I know it probably drove him crazy that I wasn't as outdoorsy as them, but he never made me feel left out or like I couldn't do something, even if it was my first time trying. I remember a few times when he picked me up before camping & it was just the two of us running errands to get ready to go & him remembering to grab little things I liked. Uncle Mike never failed to make me feel loved, even once I grew up and we disagreed on things, I always knew he'd have my back. I never left his house with low air in my tires or any questions about what could be wrong with my car, he made sure to check everytime. I'm grateful for the endless inside jokes for Emily & I that were formed in our time spent with him.
