“ *Stewart & Family,  
We are sad to learn of the passing of Michelle, our friend and '67 classmate at Fitzgerald High School. Michelle was intelligent, kind, stylist, loved yoga, good humor, and determined to accomplish everything she set out to do. She invited Kathy K. and myself to her house and specifically told her mother not to bother us. Mrs. Van Hulle was charming, serving us tea and scrumptious treats, we would have stayed the night! I would run into her occasionally, she was happy with her interior design work and extremely proud of her family. Take good care, Stewart.  
Godspeed, Michelle

“ I always enjoyed our discussions about trips we took and possible future trips. She loved to travel. She was very talented. She will be missed.

“ Michelle and I were good friends for many years. She was the one that got me started on quilting and to join the guild. She was much more focused than I and much more prolific than I am. We had many good times together. I will miss her very much. Lois Schwab

“ I was very sad to see Michelle's obituary in the Free Press this morning. She was a fellow quilter and swimmer and I will miss having her in our round robins.
