“Michelle was like a daughter to me...we shared so many thoughts, dreams, and everything one could imagine. She will always be there in my thoughts, and knowing she is with the Lord now, and she will always be safe from this day forward.

“I am so very saddened to learn of your sudden, enormous loss and grieve & pray along with you upon hearing of Michelle's passing. I had the privilege of working with Michelle for 20 years and becoming friends. She radiated warmth and a ready, engaging smile while also was well-respected for her depth of character and integrity by all who had the opportunity to know her. I was so blessed to have Michelle work with me on our many, many projects through the years. Her insights and fun spirit "saved the day" on many occasions. Know that I will remember Michelle always and send my deepest condolences.”

“I worked with Michelle on and off for almost 13 years. She was at CIT in Bloomfield Hills when I was hired in 2006 and through the Macquarie years until 2015. We then began working together again at Crestmark in 2017. She was always on top of her work with Salesforce and other tasks and great to work and always friendly. Michelle was a regular member of our Crestmark bowling team and she was a great bowler, regularly posting a higher score than most of the men. My condolences go to her family and friends.”

“A well-respected co-worker is always a plus and Michelle was certainly that. But it was her warm smile and positive demeanor that I will most remember her for. She will be missed by many; my thoughts and prayers are with you.”
