“ *Nemanja loved fishing and while growing up I had to opportunity to go fishing with him and Mik. This particular time Mik and I where spear fishing and we were walking back to see how his dad was doing and we found him just with the net in the water waiting for a fish to swim in. Well of course Mik and I had our doubts and we did chuckle a bit. But within a few minutes he did end up catching a fish and later we find out that it was a Gar and not really good to eat. You will be missed*
