“Dear Arcari family, I am so heartbroken by the loss of such an amazing man you raised and brought to this earth. My mind is flooded of all of the good times we shared and the goodness of his heart. I'll never forget all of the sweet things he did for me especially when I was going through one of the toughest things I've ever had to do. He gave me the best advice and comfort. He was smart, funny, and a truly genuine person. I would do anything for one more of those giant bear hugs he gave. Since 7th grade he was a very close friend of mine and I was lucky enough to spend my years growing up with him. The times we shared will always be near and dear to my heart. I wish I could have been there for the service so badly to say my goodbyes and just to see his beautiful face one last time.. Happy birthday Nick. I will never ever forget you. I'm praying for you keeping your family in my thoughts always.. Love, Chelsea”

“I am deeply shocked and saddened to hear the news of Nick, my prayers go out to the family during this difficult time. My daughter is the one who informed me of this loss, as she was a classmate of Nick's in his younger years. Cindy, you were always a special person that was so kind to me. I know words can't express the pain that you and your family are going through, but I wanted to let you know I'm thinking of you and I'm here to return your kindness whenever needed.”

“Arcari family, we are all so sorry for your loss. Nick was one of the most selfless people I have ever met. Having him in my life has made me a better person. Throughout Roberts, Malow, and Eisenhower days, he was always a person that others wanted to be around. I'm positive that that characteristic is still with him now. If there's anything that you guys ever need, please know that we are here for you!!”

“Dear Arcari family, my deepest condolences. I only met Nick once, but I heard stories about him everyday. Through the stories I heard I felt like I already knew him and was his friend. The moment I met him and he shook my hand and looked me in the eyes I felt a connection. I will never forget the conversation we had and the way he made me feel. He made me laugh and I even continued to laugh throughout the day of the things he said. Such an amazing person. I pray for you all as you go through this difficult time.”

“Dear Arcari Family We just found out about your tragic loss of Nick. My heart just sank when I heard the news!! We only met a few times our daughter went to school with Jenna, we met thru the St Romans. I know how devastated you are right now, as we too lost our son, Scott Oleskie over 6 years ago. When you are ready, I would love to get together with you to help you any way I can. You will be in my prayers”
