“*He loved Golf I know that! As the Assistant Golf professional at Scalawags Golf Club, where Jim, his son was a member I had the opportunity to Caddie for him on the back 9. Jim brought him out to play. He had never been to the club so I offered to take him out and play with him and Caddie, what a treat it was to share and give him the yardage, suggest to him what club to hit. The best part of it all was to see him smile and laugh and to be on the golf course. At the last hole #18 he flip me the ball to wash and smiled and said "nice job son"! I am sure He will be missed by all.*”

“Jim and Denise, our condolences and prayers are with you. A great uncle, who took good care of me, proud to say I was an A&P man. His jokes were the best. Like the one on a Christmas day at grandma's house in Detroit. He told everyone that he bought your mother a new chevelle for Christmas. Everyone in the room sat in awe. That mood changed when he clarified it was a new snow shevel !!! Somethings you never forget and how someone touches your life in more ways than you think.
Bill Zierau and family.”
