

Pamela Ann Scanlon

December 29, 1945 - May 1, 2023

Pamela Ann Scanlon, passed away unexpectedly on May 1, 2023 at her home in Grosse Pointe Farms. Her family is deeply saddened by her sudden death.

Pam was born on December 29 1945, to Elizabeth and Gilbert Fradeneck in Harper Woods, Michigan. As the family grew in size they moved to Grosse Pointe Park. Pam was the oldest of eight; Sandra Harville (d 2008) (Jemar), Timothy (d 2023) (Kay), Susan Fradeneck, William (d 2017) (Rosie), Kevin (Carole), Mary Liz DuCharme (Peter), and Robert (Pam). Pam and her siblings attended St. Ambrose grade school and high school. It is here that Pam met the love of her life Timothy Scanlon.

Pam and Tim welcomed two children into their home; Mollie Scanlon Donaldson and Patrick John Scanlon (Deanna). Pam and Tim were hardworking people, and in 1976 they purchased a cottage on Grand Lake, Michigan. They spent many cherished good times at the lake with family and friends.

Pam was employed at Detroit Tap and Tool during the 70's and 80's, working along side her sister Sandy. Many lunches were spent shopping at the local TJ Max's and other discount stores. Pam also later in life worked for the City of Grosse Pointe. She did many jobs for the city and took pride working along

side the Police and Fire Department. After Tim's retirement at Detroit Edison, Pam took up volunteering at the Grosse Pointe Historical Society. In the last few years Pam enjoyed doing genealogy and sharing this with her family.

Even though she had many interests her biggest love was being a wife, mother, grandmother (Bridget, Timothy, and Maureen), Sister, and Aunt. She was everyone's biggest cheerleader, and never spoke an ill word. It was her faith and family that helped her after Tim passed away in fall of 2023.

Pam will be remembered in a memorial mass at St Ambrose on Monday, May 22. Friends and family will gather at 10:30 at the back of the church, mass will follow at 11:00.

Donations can be made to St. Ambrose parish, to help the choir, 15020 Hampton St. Grosse Pointe Park, Mi 48230.

“ *"The Fradenecks" I swear I thought it was a noun. A beautiful big family. My heart goes out to all Pam's family. I loved all the stories shared between the Fradenecks and Fountains on Nottingham. My love to you all. ❤️*

I am saddened to hear of the death of Tim last fall and now the sudden death Pam Scanlon. We were classmates at St, Ambrose.

I attended St. Ambrose high school from 1960-1964. In December of 1960, my family (7 children) moved to GPP at the corner of Nottingham and Charlevoix. It was then I became one of the "Nottingham" girls.

I have so many fond memories of pj parties in the basement at Pam's house. We would attend the football games, dances in the hall, and have so much fun together! EVERY ONE was so friendly at St. Ambrose!

My family had the smallest number of children...7 Weigel children. There was the Fountain, Dinverno, Peters, Mooney, Crowley, ~~~ seemed like all of my friends had a sibling in one of my brother's or sister's classrooms!

Our group of girls got reconnected and would do monthly lunches together. Pam came to several of them and it was like we were ALL 14 years old again!!!

So sorry, sending heartfelt condolences to ALL the family and friends left behind.
