“Pat was a special person to many people. I knew her years ago from the Shelby Music Society. Whenever Pat was asked to do something she always completed her task with a can do attitude. She was a lot of fun to be around. She will be missed by many people.”

“Pat was a dear neighbor to our family on Viisnaw, and remained a faithful friend to our mother (Angie) her entire life. We will always remember her gentle and kind heart. Her loss will weigh heavy on our hearts because of our love for her. Our thoughts and prayers are with her family, and all the friends she leaves behind. May she find rest for her soul in the loving arms of our Savior Jesus Christ today and always.”

“Don and I were neighbors of Pat on Woodberry Drive for over thirty years. She was a lovely and lively lady. She always had some place to go, especially anything that involved the Senior Center and their activities. She enjoyed going to the "Campground" during the summer and spending times with her family. Although she was very dignified, Pat was always "up for anything." She loved to dance and sing and be with people. She was a truly beautiful lady. She will be missed.”
