“ I worked with Patrick for many years at the credit union. He was a great guy that always made me laugh. He adored his sons and so proud of both of them. He never hesitated to share story's about his boys. Patrick touched so many lives!!!

“ Pat Boyle never met a stranger. There was a genuineness about him that put everyone at ease in his company. We are all so heartbroken yet grateful that we had Pat as part of our lives for so long. We will forever miss his smile, hugs, listening ear, and even his dance moves (although those were questionable--lol). There will never be another like Pat. We loved him so much. ❤️---Julie Pearce

“ *When I was first introduced to my husbands friend group it was at a graduation party. I didn't know anyone! Pat was the first one to say hi and then he sat down next to me and made me feel right at home. I remember thinking to myself wow this guy is so nice! His kindness didn't end there. He treated my kids like his own. Such a caring and kind person that was taken way too soon. I will miss his hugs and the way he would make you feel special in a room full of people. Forever loved and forever remembered. ❤️🙏*
