

Patrick T. Buschmohle

February 13, 1946 - October 8, 2024

BUSCHMOHLE, Patrick T., Patrick Terrance Buschmohle was born in 1946 to Joe and Dorothy. He grew up in Saint Clair Shores and attended St. Gertrude High School until he was caught, “smoking in the boys’ room” and asked to leave the premises. Pat then went to Lake Shore High School and graduated in 1964. He was drafted into the Army in 1966, he was posted in Germany and Korea. While in Germany he purchased a camera, and the course of his life was set. After getting out of the army, Patrick apprenticed with Robert Stewart in his St. Clair Shores Studio. When the opportunity arose and time was right, Pat and Pam started their own studio in Warren, Patrick Photography Studio 1974-2024. He loved making meaningful images of the beauty he found everywhere. He loved photographing children, especially babies. He became well known for his lovely portraits of mothers and babies. Patrick photographed 1500 weddings and enjoyed every one of them, even the two that the bride did not show up for! Pat got very involved in photographing high school seniors, and became official school photographer for Warren Consolidated Schools. Patrick was always busy, photographing families, weddings and government employees in the city. Soon, Pat was named Detroit Professional Photographer of the Year. He was also honored by being named Michigan Photographer of the Year. He later served as president of Detroit Professional Photographers Association. Patrick earned his Master of Photography degree, which he was proud of. Patrick loved his wife, kids, grandchildren, friends and his profession. He enjoyed working with

De La Salle families, and he loved working with the students. He was proud that his son and two of his grandsons attended, with number three entering DLS in September in 2025. Many of us have "Patrick Images", he had the heart of an artist. He truly loved people and in turn so many people loved him. His community will miss his wit, charm and positivity.

Patrick is survived by Wife, Pamela (nee) Bellant. Brothers; Michael Buschmohle, Dennis Buschmohle(w) Mara. Children; Patrick Buschmohle Jr. (Chrysanthe) Shannon McKay (Brent) Courtney DeSmet (Jeremy). Grandchildren; Gabriel, Brady, Riley, Patrick III, Piper, JP.

“ Sending my condolences to Pam and family. I just learned about Patrick's passing. He was such a kind man. When he saw me struggling with my lawn mower, he offered to help. I enjoyed listening to conversations about the city, politics and his grandkids. Thinking of him will always bring a smile! God Bless, Renee (your past neighbor)

“ I had the unfortunate occurrence of getting in my very first car accident...in Mr. Buschmohle's new Buick...in the middle of Ohio. Car was totalled and I was so scared to face him. He did nothing but make light of the situation, setting me at ease, was glad we were all ok and proceeded to give me the nickname of "Crash Phares" for the remainder of the entire time I knew him...even 10 years later when he beautifully photographed my wedding. That memory always makes me smile.

He left an amazing mark on this world and I hope your entire family trust he is in God:s loving arms.

God's blessings to you all.

“ To Mrs. Buschmohle, Pat, Shannon and Courtney, I send you all so much love, peace and light Back in high school, Mr. Buschmohle left a big impression on me with his sense of humor, welcoming demeanor and just being a great dad to his kids. My brother and I always felt at home at the Buschmohle residence and that was in large part due to Pat Sr.'s charming and warm personality. He genuinely cared about the goings on in the lives of us dumb kids. That was rare for parents at that time.

“ So sorry to hear about he passing of Patrick. I first met him as a high school kid working at Lutz Hardware. Seemed like then that he was at my major life experiences. He took our photographs at Warren High School, he did my wedding, he took my official photos at the Warren Fire Department and when my son's attended De LaSalle, he was the photographer. Patrick was a great gentlemen and will be deeply missed. Condolences to the family and may they find comfort in the many loving memories they have of him. Rest in Peace Patrick.

“ Patrick was a joy to be around. Such patience with my sons taking their pictures. 12 and 9 yrs old. That picture is on my wall. When I look at it I remember Pat. That smile. He always looked like he was up to something. Like a Leprechaun. His eyes actually twinkled. Bob and I send our love. Mary and Bob DeRidder

“ Our deepest sympathy to all your family. Patrick was a pillar in the City of Warren. We had the pleasure of working with him and Cortney, for the past two years, at the WCC at the community Halloween party. I have communion pictures from myself and both of our daughters that we now cherish. Patrick also photographed our daughters when they were seniors in high school. He was a very good man and will be missed.

“ My deepest condolences to Pam and the family . I had the privilege working for Pat for many years in the photo lab . I loved working there . Pat would always come in with a smile on his face and a silly Dad joke to tell . As soon as I decided to go into photography he brought me to the studio to show me how to shoot portraits . He was just sooo happy to teach me and share his knowledge with me . He was a wonderful man . I'm always proud to say to people when I started out I worked for a Master craftsman photographer . He sure will be missed . Very talented photographer and kind and wonderful man .

“ Our loss is Heaven's gain. Mr B. was a GREAT father to my best friends Patrick, Shannon and Courtney. I respected him very much and considered him a parental figure when I was a young kid, and still do to this day. Spent many enjoyable rounds of golf with him. Wish we could of have played more.

“ In loving memory of Patrick, it's difficult to express the depth of love I hold for him. From 2002 to 2004, I had the privilege of working alongside him every day. He took me under his wing and embraced me like family, guiding this once wild teenager into becoming a responsible young man. His warm smile and sharp wit always created a welcoming atmosphere. I'll forever cherish those moments when he shared hidden chocolate treats with me in the studio when no one was watching.

The attached photo was taken during a college assignment, where we were tasked with capturing a classic portrait of someone who meant a lot to us. I immediately knew Patrick was the one I wanted to photograph, and I'm proud to say I received an A on the assignment!

Thank you, Patrick, for your kindness and guidance. You will always hold a special place in my heart.
