

Patrick Fisher Scoggin

December 22, 1961 - December 1, 2020

Patrick Fisher Scoggin, beloved husband, father, brother and son-in-law, passed away peacefully at his home December 1, 2020 in Grosse Pointe Shores at the age of 58, after a three year battle with cancer.

Pat will be dearly missed by his loving wife of 28 years, Christie (Huntington), and their four children, Samantha, Alissa, Tyler and Casey, as well as his brother, Jim Scoggin (Cindy), sister, Wendy Lichtenwalter (John), in-laws, John and Judy Huntington and several adoring nieces and nephews. He was preceded in death by his father and mother, James and Rhea Scoggin.

Pat was born on December 22, 1961 in Detroit, Michigan. Pat grew up in Howell and graduated from Hillsdale College in 1984. Pat was an account executive at UNUM in Washington DC when he met and later married Christie, the love of his life. Sammy and Ali were born while they resided in Maryland. In 1996 Pat began to work for and invest in Huntington Ford, Inc. in Rochester Hills, Michigan. They moved to Grosse Pointe where Tyler and Casey were born, and the family has lived there since. Pat and Christie completed their purchase of the dealership in 2002, and under Pat's management, the dealership consistently achieved Ford Motor Company's Top 100 Dealer Award in sales volume. Pat served several terms as the President of the Southeast Michigan Ford Dealers Association, and also as Chairman of the Southeast Michigan Ford Dealer Advertising Fund. Most recently, Pat was awarded an Honorary Doctorate of Humanities from Oakland University in 2020.

Pat, being a great athlete himself, enjoyed sports of any kind and would often be seen coaching his kids and their teams in basketball or baseball. He was an avid tennis player and loved his heated matches within his immediate family as well as with his beloved tennis drill group. He also was an enthusiastic fan of all professional Detroit sports teams in addition to the Michigan Wolverines.

When not supporting their four children in various activities, Pat, with Christie, established an ongoing Oakland University Scholarship in 2012 that annually provides one Rochester area high school student with a full four-year tuition scholarship. They are currently on their 9th scholarship student. In 2016 The Patrick & Christie Scoggin Family Foundation was established, focusing on educational causes, financial needs and beyond. Pat's strong work ethic and philanthropic drive quietly but undeniably contributed to his contentment in his later years.

Due to Covid-19, the funeral service was held for immediate family only. A memorial celebration will be announced at a future date. In lieu of flowers, donations in Patrick's name may be made to: The American Cancer Society - 20450 Civic Center Drive Southfield, MI 48076 or Motor City Mitten Mission - 24623 Harper Avenue St. Clair Shores, MI 48080. “ Pat was a wonderful person who was a great athlete, business man and friend. Over the years, our families intersected through school, tennis, Sigma Gamma and through Ford connections. Pat was the guy who made you feel important whenever he saw you. He could engage in a thoughtful discussion about almost any subject. In these, I would invariably learn something and we would share a laugh or two.

I remember one time at Huntington Ford during service work on a car, Pat and I talked for a couple hours about in his office upstairs. Prior to that, I didn't know about the charitable and dealer counsel work was involved in. It opened my eyes to a whole new side of him. He was so modest and humble. A role model.

It was hard seeing him over the past 3 years as he dealt with the cancer but he always seemed positive and had the same humor and humility. I should have reached out more to him than I did, but at the time, I was dealing with Cristy fighting her ALS.

Frankly, it has been hard to write this as I am still dealing with losing Cristy 6 months ago. I haven't even done any thank you notes to everyone who shared thoughts about her. I just wanted to share something meaningful because now I know how tough it is to lose your life partner. Christie, I wish you Sammy, Alissa, Tyler and Casey the strength, resilience and hope to build even a tighter family bond to help you move into this next chapter of your lives carrying with you the gifts Pat left each one of you with.

“ On behalf of the 1978-1979 Varsity Cheerleaders, I would like to extend our deepest condolences. Pat's mother, Rhea, was our beloved cheer coach and he was one of our biggest fans. He was like our cool younger brother. We all loved to try and make Pat blush, which was not hard to do. He also had that great Scoggins smile which we will never forget. RIP Pat!

“ *Dear Christie, Samantha, Alissa, Tyler and Casey, I had the privilege to meet with Pat every quarter over the last few years to review the dealership's retirement plan and each time I was truly impressed with his keen desire to do the best he could for his team. He had what many call a quiet strength. He was not vocal about how he worked in the community to make it better. He saw the need and acted. I am sorry for your loss and hope that your shared memories can strengthen and help you through this very challenging time. Heaven just opened a great Ford Dealership. John Young and Family*

“ Dear Christie, Samantha, Alissa, Tyler and Casey:
I'm so sorry for your loss. I knew your husband and dad from Hillsdale. Even at such a young age, it was obvious he was one of the good guys - always quick with a smile and laugh. And it's obvious by the outpouring of love Pat touched not only me but so many others. It's a testament to his life when the grief is felt so far and wide. My thoughts and prayers to you. “ *Losing Pat is so overwhelming. Such an incredible family man and business mind. A very private guy who occasionally opened up to a couple of us tennis buddies and we always appreciated his candor, intelligence and soft sense of humor. My prayers every day for Christie, Sammy, Ally, Tyler and Casey. Pat will be greatly missed. I can't imagine being on the tennis court without him. We had a unique friendship. I love you Pat. “ *What a devastating loss. Pat was the epitome of class...kind, approachable, caring, loving, strong in character and fun. And of course, an accomplished athlete and willing competitor on the court. We adored him. The void left is immense.... he was a great man and treasured friend. All our love to Christie, Sammy, Ally, Tyler and Casey in this most difficult of times.*

“ I was honored to work with Pat when he was Chairman of the Detroit Ford Dealer Advertising group. A true gentleman, husband and father, and a great example why i have been so proud to work with Ford dealers like Pat who do so much good for their communities. To Christie and the entire family, Rachel and I have you in our thoughts and prayers. We are also so grateful that Ford brought us together at the perfect time to match Katie with the very best roommate in Sammy.

“ Patrick was a wonderful individual who made everyone feel like he was their friend. I loved the bantering between us during our workout sessions with Dmitri and his unexpected stops at my daughter’s court during his walk with his wife. I will miss him.

“ Pat and the Scoggin family hold a special place in my heart and history. Raised together in Howell, Pat was a friend to my brother and became an inspiration to me. I followed Pat and family to Hillsdale and joined the same TKE fraternity. Pat was always a first class, fun and friendly guy who knew how to balance fun and profession with ease. I’m thankful for he and his family for their friendship and being an important inspiration in my life. My heart goes out to all of his family members.

“ Without Pat and Christie, attending Oakland University would have just been a dream for me. The times I was able to spend time with Pat I will always cherish; he really took an interest in all of his scholarship recipients lives and treated us as if we were his own children. Pat was truly a one of a kind person, who was selfless beyond belief, and the world needs more people like him. My deepest condolences to Christie and his family for their loss.
