“ You were a fighter, tough as nails and didn't take sh*t from anyone. But as fiercely tough as you were, you were also sweet and soft caring and loving. The dedication and love you had for your family was unlike anything I've ever seen. The Protector, the Chief, the Enforcer and I can only hope you know just how respected, loved and revered you were/are. I loved all my Uncles and Aunts very much...proud to belong to this group for sure but you.....you and Aunt Rosie, well, you left little holes in my heart that will never be filled. Thank you for being the best Uncle ever and thank you for making sure baby Sandy didn't die. I just wish I could hear you tell that story just one more time.....Love you.
