“Maryanne - I am so sorry to hear of Paul's passing. I completely adored him, as well as you. I know we haven't spoken in quite sometime and I wish I would have known sooner, I would have been there with you. I know Paul helped you a lot with things and I more than happy to help you; all you have to do is ask. All my love.”

“Our thoughts are with you all at this difficult time. Paul was role model to us all - generous with his joy for life, love and care for his family, and friendship to everyone. Seeing Paul's car the driveway meant "Uncle Paul" was there for all of his West Dundee family, to carve pumpkins with the kids, cook a big pot of meatballs or order up the hockey channel to watch his beloved Red Wings. And whenever I hear the Ave Maria, I will smile for Paul (and TuTu.) Rosie, Maryanne, Russanne, Kathleen and Bobby and kids... You are all in our hearts.”

“Hi Paul! I am leaving this post, because I know that wherever you are, you will check your facebook page!!! I know that our ND days and softball days are Looooong behind us, but seeing all your posts on face book made me still feel close. I went to the Wujek-Calcaterra funeral home, but I didn't see you. I saw Amazing Pictures of Your Life! I saw friends and family, but not You! Today, at St. Paul's I looked for you, but again nothing! Then somewhere in the whole mass I felt your presence. I realized that all of these people were here at the St. Paul's because you had touched their lives Sooo much that the were compelled to be at the Church to honor you life! That you were there in each and everyone of them! God Bless You Paul!! I will miss you!!!!”

“I had the pleasure to work with Paul at Mopar from 1997-99. He was a true go getter that wanted to make a difference in what he did. My heart sank when I read the paper last week. Rest In Peace Paul, your work is done and your difference will live on in the people you have touched with your life. May God comfort your family and friends at this time and always...”

“*Paul was a gem, a huge spirit. My heart goes out to all of you, Maryanne, Russanne, Kathleen, Bobby, and your beautiful sons, Rosie and Jessica. The few times I got to be in his company, his largesse and smile, generosity, deep baritone voice and big heart will stay with me always. The night he invited my son to hang out with the boys and Rosie on that warm summer night is forever held in my heart. May love and healing surround all of you in these difficult days to come.*”
