“*Words will never be enough for me to express the great love that I have for my uncle Paul. My uncle was such a example of what a father, husband and friend should be. His smile lit up the room as his loved poured out to everyone around. He was a man of deep faith. He had peace in knowing that God was able to keep him and to take him when it was his time. He was a protector to those who needed to be protected. He was a peaceful man but he always stood up for what was right. He was so knowledgeable about the Bible and history of the church in which I so admired. He loved to talk and he loved people. There was never a conversation that he could not be a part of if he so desired. My uncle Paul always had a place in his heart for everyone. His kindness spilled out on everyone. I am so thankful that I had a man like him in my life to model what a father, and husband should be. I will greatly miss my uncle Paul. To all those who have lost such a special man in their life. We love you and I am thankful we will meet again in heaven and what a day of rejoicing that will be!! Love Michael and Debra (Debbie) Simmons”*

“*"Uncle Paul will be deeply missed. So many wonderful memories of good times celebrating with family. Uncle Paul always had an interesting stories to tell. He truly had so much knowledge and joy and love to share. There is a bright light that shines in the heart of so many in our family. Uncle Paul exemplified this light ... a genuine kindness and beautiful heart. I was blessed to call him my Uncle and my Godfather. A very special Godfather to my son, Joshua, as well, and loved so much by my daughter, Melissa. We love you, Uncle Paul. We will miss you. Sending love and prayers especially to Aunt Monica, Kathy, Doug and Jill, and Duane and Dale. Love you all."*

“*"As a little girl growing up, I remember my Uncle Paul as the handsome Uncle with a voice like smooth melting butter and syrup on pancakes. I loved his big loud laugh that most of the McRills seem to have. I'm praying for God's comfort for my Aunt Monica and the rest of the family. I love you all."*
