“*Dear family, We always remember Pauls handshake, smile and love for the lost every time we visited your church. May the Lord comfort you in the joy of our common hope. Lots of hugs and kisses from Kevin and Olga Kenney over here in Spain.*”

“*To my 2nd cousins Bonnie Lou & Ruth and Aunt Elizabeth. Your dad/husband graced the Schoel family throughout his life. I can remember as grade school guy, when Paul visited our home in Roseville, MI he always lifted the mood of the gathering. There is no way to allways be so happy unless God is in the Center of your life. My scripture for Uncle Paul is, "The joy of the Lord is your strength" Neh 8:10b.*”

“*My sympathy and love goes out to the entire Meyer family. Paul and Elisabeth were like a second set of parents to me when Bonnie and I were growing up. They took me to church every Sunday and drove Bonnie and I to summer camp every year. He was very instrumental in me giving my life to Jesus as a teenager. Such a kind and gentle man who loved Jesus and his family. He will be missed.*”

“Dearest Elisabeth, Bonnie, Ruth and Craig - Just found out today that our friend Paul has gone to be with our Lord. We are so sorry that we were not able to be there for you while Paul was laid out or for his funeral. I have so many wonderful memories about your precious family tucked away in my heart. Praise the Lord for Paul and all that he meant to so many of us. He was a great example of Christian love. May our Lord supply your needs during this time and the months to come as his absence is felt over and over again. Our love, thoughts and prayers are with you - Gary and Heidi Weisser, Friends from St. Clair Shores, MI”

“To my loving friends, Elisabeth and Ruth/Bill and family.....Thank the Lord and you for sharing your husband/father with me. He was a dear deacon and mentor; someone who was so wise, ever-caring, ever forgiving, and dedicated to praying for me. He was a man, who didn't just use words to describe his dedication to God; he demonstrated his love in the giving of his prayers, guidance, material goods, time, and presence at a time when I needed it most in life. I only saw him as a loving husband and father, while he adopted those God put into his care. His love will never fail or be forgotten in this sad time because it is the love of Jesus that goes on forever in my heart. He was able to set me on the right path of life in time to train my children, which I know he was proud of. I know that his greatest aspiration for me is to serve the Lord and to give to my family and to others the way I saw God's love demonstrated so strongly through him. It would be impossible to forget his love because it lives inside of my heart. I recall years ago telling him that I could not repay him or Elisabeth for their kindnesses, and he would say not to repay them but to "give it back to others one day when you are able". Thank God for such a loving and caring man of God, whose love is still with us eternally.”
