“Pete (and Anna) were so much fun to be with. I have such fond memories of both of them from their Buffalo trips and also when I visited Detroit. When I hear their names, I can immediately picture their faces like they were standing in front of me. I am so happy that they were able to get to know John and our boys. Our deepest sympathies to Jimmie, Beth Ann and your families.

“Pete was the best of all my cousins! He was very special to me because he kept my picture in his wallet all these years. He would show it like I was his girlfriend to all his friends, because he did not have a girlfriend at the time! His family and My family would always get together when we came to Michigan. Al looked forward his big bear hug and kiss on both cheeks every time he saw him. He will be greatly missed. We send our love to his family and ask them to keep his music in their hearts.

“ Please accept our heartfelt sympathy on the passing of your father. Our thoughts are with you and your family during this trying time. We never had the honor of meeting your father but I will always remember you talking to him on the phone and laughing over his stories. He was blessed with a beautiful daughter who loved him throughout his years on earth. I truly believe he is in heaven with your mother holding hands looking over all of you. May the love of those around you help to comfort your hearts.
