You always said Family comes first and I will always remember that and cherish the moments we had! I will miss you so much and hope I can teach my children and grandchildren the things they you taught me and I can instill the values of what it takes to be a good Mother and have the understanding and forgiveness that you always showed daily to everyone. “ Mom, you came into my life these later years. Even though I didn't have all the great prior years that I have seen through pictures and stories, I always admired you on your wittiness and great attitude that you had through these past years. I know Dan will miss you always to and I wish he could of been there to say good bye, I tried, and I know you gave him some nice times and a great companionship while you lived in the Apts. Your Husband Lionel, and Lionel Jr will be waiting for you in heaven and thus start your new journey watching together upon your Daughters, Son along with their families as they take what you taught them and help their families succeed just as you did. Your daughter Karen always only had one thing in her mind and that was to make you comfortable and take care of you to the best of her abilities! Not a day went by where she didn't think of you and how she could get you healthy again to join all the family on Holidays and Family Functions. Till this day she always tried to figure ways to see how she could care for you under her roof and was so frustrated with not being able to care and do the things that Medilodge could do for you and meet your daily needs second guessing herself daily as to if that was the best for you. I know she loved you more than anything in this world and she will miss you so much! Look down upon her and take care of her MOM, she is such a great MOM, GRANDMA, GREAT GREAT Grandma, and give her the strength to lead this Family to Success and Great Lives till she meets you again in Heaven where you can share the great times again! TAKE CARE, I WILL ALWAYS ADMIRE YOU and by the way SAY HI to my DAD who always along with my Mom loved having those glasses of wine with you when you came over our home or being at a family function.....GOD BLESS YOU ALWAYS LOVE YOUR SON IN LAW DARRYL
