“ *I am so very sorry for your loss. May you find some comfort in God's words as found in John 5:28, 29 where He promises to resurrect our loved ones. God knows and cares deeply about our pain thus also promises at Revelation 21:3, 4 to "wipe out every tear from our eyes, and death will be no more." May His promises and love bring you comfort and strength.*

“ Although I didn't know Rachel, I do know how much she means to her Aunt "Shoo-She" and the rest of her family. I know that the Sutton family has lost a very important member and I hope all the wonderful memories you have of Rachel and all the prayers being said for you all will help you through this difficult time and in the days ahead.

“ Because I work for VPSI in OH and not MI, I've only spoken with Rachel on the phone and never had the opportunity to meet her in person. I really enjoyed talking to her though. She was always so cheerful and you could even hear her smiling through the phone. I still look forward to meeting her someday and seeing her smile. May God comfort you and your family in this time of loss. My family and I have you all in our thoughts and prayers.
