“ Randy was my friend for almost 60 years. For so many years he tried to show everyone the right path to take in life. Susan was the light of his life who I have known for almost 60 years and his children since they were very young. The family was always the top of his priorities. I will miss him as I am sure so many will. Rest in Heaven with others from your family and all the friends who went before you. See you in the sooner or later, dear friend.
