“My deepest sympathy to Renee's family. I was shocked to hear of her passing and sad that I didn't know sooner to pay my respects to her and her family. I worked with Renee many years ago for Truck & Bus when they were at Pioneer on 9 mile in Warren. Sometimes I ran into her at the Lakeside Mall. So sad that God took her so young. My prayers go out to her family.”

“I have never known anyone who loved life like Renee. You couldn't help but smile just being with her in any situation. She had a warm and effortless way of making people feel special, important, and comfortable. I am grateful for her friendship and for the time we had together. I wish her family love and comfort during this difficult time. May she rest in peace.”

“”*I always had so much fun with Mrs. Palleschi when I was in middle school- she had so much joy and energy and inspired me to be involved and to be myself. She helped me be a confident student leader, and those skills I carry with me today as woman. Her presence was a positive force and I am so grateful and lucky to have been able to grow as a young student in her presence. She always made me laugh, was selfless, and wasn't afraid to be silly in order to help students step out of their comfort zone. Such a wonderful, loving, and caring woman.*”
