“ Renee was a beautiful lady. Brought a welcoming smile to the door at Britt's Bow wow. We could immediately sense her knowledge of pups We had brought our pups there for long trips . Because after interviewing numerous care facilities, we could not Forget the comforting feeling of Renee at Britt's. She would text and video our pups to us on our 3 week trip to Australia to see our kids. Funny things to say what they were doing . After a few visits. My dogs would follow her right out of the door of office to garden area. We were left alone in office feeling like we were content they were with her.Pups know good people. Renee, we are going to miss you. 😭 you're a beautiful person who left us knowing her warm loving self. Keeping her kids in my thoughts and prayers daily. Steve , Ginger, Harper and Buster Evans.

“ Renee was always warm and loving towards me, and welcomed me into her home, and always treated me as family. Although it's been many years, I can still picture her smile. The contagious kind of smile that makes you have to smile back. Rest in peace, sister in law. My heavy heart goes out to your family, during this truly difficult period.

“ I remember meeting Renee and Floyd for the first time on Halloween night when we first moved into the neighborhood. They were so proud to bring little “Floydy” to the door in his Buzz Lightyear costume ❤️. Of course Renee was among the first to take interest in our then new puppy, Bailey and generously share practical dig care advice. When she happily became (hugely!) pregnant with Grace and Mitch, I fondly recall her bustling around the house, doing yard work. After Jack and Annie were born, and they discovered just how much they wanted to spend time with Grace and Mitch, Renee enthusiastically welcomed both of our kids to her home, to play for hours — even when Annie was still in diapers. I regularly appreciated her parenting experience and expertise and am grateful for having had the opportunity to raise our kids together. We will always have wonderful memories of those magical, early days together 💕 Thank you, Grace, Mitch and Floyd, for sharing your Mom — and your Dad! — with us through those very special times.

“ Well I don't know what to say renee, I'll miss you soooooo very much. You were tia and my babysitter as a little girls, and a friend as I grew up into an adult. We were pretty close soon before you became blessed and pregnant with the twins and I had Frankie and I'd come over with Frankie and hang out during the day with you and the twins and Floyd jr. We would be talking about the reflux of our babies lol, that it was so exhausting with their crying fits, and complaining about our husbands 😭. Randomly meeting up at big boys with, aunt julie, my mom, aunt Susan, Diane, donna, and tia. I wish there wasn't so much time that had past for so many unknown reasons and and I just keep sitting here thinking, it just can't be real. I was just reminiscing about when we lived in Eastpointe apartments and you were babysitting us, and cousin Kenneth was there, I must've been maybe 7 years old and laughing at you and cousin Kenneth, you guys were blaring "Eye of the tiger". I thought the two of you were like the coolest teenagers in my eyes. Memories are flooding back along with your sister sue, I remember thinking to myself with the two of you, like confused like this is pretty cool to have a sister, lol even though I had one, you all just seemed so cool to me. Your still one of the coolest in my eyes, and I pray to god he gives you this message ❤️. To Floyd, Mitchell and grace, your mom was a great person and my heart is breaking for all of you 😭. If you need anything please let me know, I'll miss you renee, you will be truly missed by sooo many. I love you and may you Rest In Peace with the angels above
