“ We had a little competition decades ago. Athletes are always competitive. It's wasn't about who won or loss. We were both in it for the sheer fun of competition. But I do get up to the top of the tree first. I will see you again my friend!

“ Never knew Rick well. I got the opportunity to take him Walleye fishing 2 years ago ( I believe) Great guy! We had a Blast! Rick went home with some Walleye and he gave Jack and I some kind of bacon? Cured? Sounded weird but Awesome! Rick made the day! We even had a little rod mishap that stays in the gallows! AWESOME MAN! Deepest regrets! He will be missed!

“ *My little brother lived a great life. Always busy. Almost 40 years with The Ford Motor Co. Farmed his land. Raised livestock. Was a journeyman hunter. With every toy imaginable. Rick was a man's man. He taught me much. We all should love life as Rick did. I will miss you my brother...*

“ You were just here, Arizona, attending Jeff Gande's funeral. You never thought twice about getting on a plane flying 4 hours just to attend an old friend's celebration of life. And return home two days later. You came at Thanksgiving 4 months prior to see Jeff alive and spend time with your Arizona family, Al & I, Mike & Magda, Erin & Darren and Adam. I will miss your happy face, your quiet strength and always a positive attitude. Rest In Peace little brother, until we meet in heaven. I love you Rick,

“ I’m so sorry to hear about Rick’s untimely passing. So hard to lose such a great person...the world needed more like him — but now will have a void that only his smile could fill. Godspeed, Rick. RIP.
