“ Uncle Richard,

You will be missed. I have a lot of memories that I was glad I was able to share with you. Thanks for all the good times we had together.

I really enjoy all the hunting experiences we shared with our family members. Those were some of the best memories of my life.

I think you would have been pleased how your children handled the ceremony. Rest in peace. I will see you soon!

Your nephew,

Nate Creech

“ Dearest Creech Family and Friends, Rich was a great, great friend and a father figure to me! Rich and I have had many talks for almost five years now. He would come into my work just about every evening and first thing he would say is, hi pretty face! That was the best and I will never forget that.... he was such a great man! He talked so much of his kids, grand kids, and his family down south to me. I loved listening to his stories. He is truly going to be missed by so many people. I pray for all of you to get through this difficult time and keep you and Rich in my thoughts and prayers..Love always your friend, Beth from Auburn

“ Its so hard to understand why those we love are taken from us, but find comfort in knowing that he rests in the arms of Jesus. To have one true friend is lucky. To have had a friend like you is a true blessing, not just a true friend but also family. Will miss you. But now you, Skip, Bert and my Beloved Ron can again be out chasing all the good looking Angels Love you.

“ *I have to say that I will never forget my Uncle Richard's warm smiling eyes. And I just loved when he laughed! He was a true character with a great sense of humor! He always cracked me up! I'm really going to miss him. Although it's hard to accept that he is no longer with us here on this earth, I truly have peace from the Lord in knowing that my dear Uncle Richard is in the presence of God. I love you Uncle Richard and until we meet again ❤️*
