“ Rick was so kind and generous and our family absolutely loved and adored him ,I loved the way he took and made special attention to my mother, who was confined to a wheelchair, taking her order into the kitchen, I have so stories about Rick. To the family, may God continue to bless you, and Fabulous Rick, may forever be at peace.

“ It's always too soon, but way too soon for you, Rick. When I think back to Beland and the old days, you always pop into my mind. In the milk truck. Always in the milk truck. At The Brother's House-DeLaSalle. You told me how much ice cream Brother George ate. I still laugh at that. Until we meet again, my friend.
