“ I was so sorry to hear of Rita's passing. Our families were close when we were all growing up on Karam Court. Rita always went out of her way to stay in touch and keep those memories alive. She was a very special person and the whole Derkacz family sends their deepest sympathy to Emanuel and Joey and their families. RIP Rita! Jesus loves you!

“ We had the privilege of being Rita's neighbor in the early 90's and have remained friends ever since. We will never forget our dear friend who would stop at nothing to help or offer assistance whenever or wherever she could.

*Rita always had a way of brightening our day with her endless display of love and devotion for Jesus. She never let an opportunity pass without reminding us of how Jesus 'Loved us" and "will protect us" when we drove. I know God is smiling at Rita now saying, "Well done, good and faithful servant".*

*Let this time be a celebration of Rita's life. She has gone home to be with her Lord and Savior. May she now find rest and peace in His loving arms.*

“ *Rita was a very nice and caring person. Yet when I think of her, I always remember the tenderness and safeguarding that you Emanuel, and you Joey, had expressed toward her. You two watched over her dutifully and this had always impressed me, that two young boys who ran around Karam Court, as we all did, would take the time to display outward patience and love for their sister. We were all blessed by Rita's presence in the old neighborhood, and we were especially blessed to witness the love and patience of two young boys look after their sister with big protective arms. I cherish those memories, and please know that Rita is in a very good place now with God's protective arms around her.*

“ There is a special place in heaven for this angel. Rita was a kind soul who was always willing to help anyone in need. Her love of animals was endearing. God bless her soul.

“ If anyone deserves a prime spot in heaven, it’s our Rita. She thought of everyone, always, before herself. We are blessed by our family memories, since we were kids though adulthood, to keep our family contact during annual Detroit family visits. The laughs, the stories - with some of our gatherings in Rita's living room, were the best! And, our Formosa/Marsh trip up-north, when my dad was still with us. My Marsh cousins and their kids (now adults with busy life's), always attentive to Rita's needs. The love was loud and endless. I will deeply miss Rita's calls. Always, praying for me and Greg and singing us happy birthday. She never missed these important events or holidays. My heart is broken. With Covid travel restrictions, we cannot be with you at her service this weekend. Please know our hearts are with you, as you grieve her loss. Love forever, Nanci and Greg - San Diego, CA

“ Steve and I are so sorry to hear of Rita's passing. Rita was one of the nicest people we have ever known. She was always smiling, friendly, and her faith in God was unwavering. One of my (Donna's) memories was from Susan's birthday party. I literally sat with Rita on the couch the entire evening. We talked and laughed and she definitely made a lasting impression on my heart that night. So, so kind and told me she would pray for me...

Most recently we visited her at the rehab center, we stood outside her window because of Covid. She was so happy to see us and once again, as friendly as can be. We loved her....We know Rita will be missed by many. We hope you can find comfort knowing that she is now with her God in heaven and we are sure she is smiling and making dozens of friends. Heaven gained one amazing angel.

Lots of love,

Steve Trzeciak and Donna
