

Robert Alan Bacyinski

September 1, 1956 - February 1, 2021

Bacyinski, Rob Age 64 Feb. 1, 2021.

Beloved husband of Gwen (nee Huynh). Loving father of Eric Bacyinski, Kayla (Justin) Latin, Thomas (April) Huynh, Diana (Jerel) Rubio and Alex Huynh. Dearest grandfather of Brooke, Harper, Deacon, Emerson, Noah, Francine and Isla. Dear brother of John (Rhonda) Bacyinski, Mark (Beth) Bacyinski and Nancy (Vicki) Bacyinski-Coval.

Rob lived a purposeful, vibrant, exciting and events filled life.

Growing up in Dearborn Michigan, attending St Alphonsus, then Catholic Central, then attaining an associates degree Rob worked several jobs before reaching his career job at DTE, where he was employed for more than 30 years. Rob would always say work was not a chore, but a pleasure. Rob loved family and friends, and cherished being a husband, father, grandfather and sibling.

He was an avid boater, keeping his 26 foot Larson at The Edison Boat Club, of which he was once the clubs Commodore.

He loved to golf, both with business clients and with family and friends. He also enjoyed going up north to hunt, successfully, each year.

Rob was always a good listener and would be someone you could talk to, without judgement.

The request for donations for Turning Point are special as Rob, last year, took

lessons and was involved in a dance fundraiser. He certainly was out of his comfort zone as he danced with his professional partner for several minutes in front of several hundred people. By the way; he nailed it.

Rob....thanks for all the spectacular memories you left for all of us. You are a blessing to us all.

Donations preferred to Turning Point, P.O. Box 1123, Mt. Clemens, MI 48046.

“ Rob and I were in the same St. Alphonsus Schools, grade school class and the same homeroom too. We often sat in neighboring desks, and we shared a lot of laughs. I'm grateful for the memory that just a few years ago, Rob and I had dinner together. I'll miss him.

“ I was shocked and saddened to learn about Rob's passing. He was a great guy and a good friend. I was hoping to get together this summer with Rob and Gwen to go out on our boat, and am very sad that I won't be able to make that happen. We met when I worked at GM and was doing alternative fuel products, and Rob was my contact at DTE. We would always laugh about fighting the uphill battle of getting alternative fuels into the mainstream. I met him for lunch a bunch of times, and I will always cherish the memories of laughing over work and our personal lives. I will miss you Rob.

“ So sorry to hear the news of Rob's passing. He was a cherished colleague and friend. Attached is a 2017 photo of him during a business trip to Washington, DC when I had the opportunity to spend some quality time with him. God bless.

“ My deepest sympathy is extended to Rob's family for their loss ... based on the many fond tributes posted here, it is obvious that Rob was well loved by all who knew him, whether as a spouse, father, sibling, cousin, co-worker, or friend ... that is a simple measure of a life well lived ... rest in peace cousin, Russ Prystash

“ Commodore Robert Bacyinski will missed. He shared his joy and heart with all of us.

Your Friends at Edison Boat Club

Eight Bells has rung, and last Watch done. Now a new berth waits you on the other side. Your Ship is anchored in God's Harbor. And your Shipmates, sailors of the Lord.

God Bless you, Rob...

You get to look into the eyes of your Creator this day, and hear His voice say "Job well done, my faithful servant."

After all, THAT is what all of us are here for! It is just that your race ended much too soon, especially, for ALL who loved you SO dearly, who are left behind...with broken hearts, and sorrowful souls, filled with uncertainty, if the pain will ever subside...

That is only because of the fact that you were a great man, Rob Bacyinski!!! All who loved you are better people because of you! You made a difference in SO many lives!

My life is richer just from meeting you! In the span of an afternoon, I was treated like an old friend. I was touched by such a sincere soul, that welcomed me like no other.

Your Ship has come in! Those who have gone before you, have been busy setting up your permanent abode.

Rest well, my friend. Your work here is through. Put in a good word for those of us left behind!

You are very much loved,

And, very much missed.

“*Fond memories of the annual deer hunting trips to Cadillac, MI. The early rising to get to the blinds before sunrise and the late dinners at Timber's. The afternoon movies on the VCR - especially "Silence of the Lambs." (Not a good movie to watch and then be out in the woods past dark). I'm sure you won't miss the "Dinty Moore" beef stew I always made for our lunches!*

Your friendship and warm, friendly, outgoing personality will be greatly missed.

Rest In Peace in Heaven Rob. See you soon.

“ *Cousin Rob,*

As the oldest cousin on your fathers side, I knew you when. I was a teenager when you were born, a rascal from the very beginning. You drove your mother up a wall and delighted your Dad from the start! May you rest peacefully and know that you have left behind a wonderful legacy for your family, friends and relatives.

“ *I had the pleasure of working with Rob on a couple projects at DTE. He was a great guy to spend time with and he had such a gregarious and infectious personality. Much of his success can be attributed to the way he interacted with people and formed lasting and meaningful relationships. Prayers and condolences to the entire Bacyinski family and all who loved him.*

“ I have known Rob for 39 years from MichCon now DTE. Rob was my section leader when I first came to the company as a 21 year old young adult he use to like to play jokes on me as the new kid on the block so say, he was a joy to work with. Anytime he would be down to WCB he would come and see me and we would talk laugh about old times and new times. The last time we spoke he told me he met this beautiful women name Gwen and he was going to marry her and I was so happy for him. You will be truly missed my friend (Vicky Doeblor DTE)
