“ All my life, I've known you as "Bobby" - I use to confuse your sister when I mentioned your name - she always thought I was talking about her son. I'm so sorry that we can't be there to celebrate your life but you will always be in our hearts. My favorite memory was when you and Geri had us over to teach us how to make pierogis - what a great day - what a great memory. Love from your cousins - Ritch and Pat Teets.

“ I have so many memories of Bob. He has been in my life since Geri met him and started bringing him into our home. He was the brother I never had and my first encounters with a brother-in-law. We shared a friendship through the years and then we shared our children. Me Aunt to Wendy, Robin, Chuck, the agony of losing a daughter Angel, and Chris. Bob an uncle to my children. Of course we need to mention the grandchildren and Great grandchildren. Rest in peace Bob now that you are with my sister, Geri. You will be missed💔💔
