“*I worked with Bob at The Macomb Daily and again at The Detroit News and Free Press. He was a wonderful and supportive colleague. He always made us happy with his funny stories and down to earth sense of humor. He had a great work ethic and was very kind to everyone. Bob, I'm sure you and Bob Russell are already on the links in Heaven, keeping everyone laughing. May you Rest In Peace.*”

“Oh Bob, how you will be missed. I have so many memories of you in the CLC Senior Choir . I was director for over 30 years, and you were there for most of those years. You always had a joke or a funny story. Bob, I could always count on your magnificent tenor voice! I know the music at CLC won't be the same without you. I'm sure you are already singing in the heavenly choir. Say Hi! to my dad for me, please.”

“Some of my favorite memories with Bob involve tailgating with him at the 2014 MSU vs. Stanford Rose Bowl Game. Also, of course, playing golf with Bob. We always had a great time together. Bob was such a nice, caring man to work with, and I will cherish the many memories always. WE will all miss you Bob. Join the choir of angels when you get there.”
