“When I came to work this morning and saw "Robert Molnar" as the subject of an e-mail, I was excited thinking maybe Bob was going to be a co-worker once again. I never imagined I would open this e-mail to learn that Bob is no longer of this earth. I'm so saddened to hear this news. My thoughts and prayers are with all of you and I will miss him. He was a great co-worker, sharp as a tac, always ready to share his latest tips and tricks, and give out any advice he could. He was also a friend.”

“May God comfort your family during this difficult time. Psalms 46: 1 say, "God is our refuge and strength, a help that is readily found in times of distress." Look to him for your comfort and peace. With deepest sympathy.”
