“I am tryin to get in contact with Tommy Jr - Tom Sr - Jenette- Cathy- or Eric If anyone can help me Please! will you email me . this is Terry Hayes my email is terrylouiehayes@tutanota.com Bobby and I used to be Friends. I found out about Bobby passing away on the internet jus a few months ago trying to locate him. I wanted to tell him I still thought about him and see how he and his family was doing and when I saw that he had passed away . I knew I messed up bigtime, I waited to long and I am sorry I did. Bobby and I go way back, all the way back to taylor elementary school in st clair shores . then in 4th grade I believe the Richter Family moved up north and I didn't see Bobby again until we was 17yrs old. Bobby and I drove to North Carolina in that old Volkswagen he had- Everything was heavyduty to Bobby.... someone would say to Bobby... like, I got tires for my car and Bobby would say are the Heavyduty tires, if it wasn't heavyduty it was no good. heavyduty this heavyduty that. Tom Sr. and my Dad took a motor out of Tommys Jr. Ford Ranchero that he wrecked, I think he took down about 20 mail boxes on a street in the car... Tom Sr and my Dad took the motor out and put the motor in my Dads 1972 Ford truck. Then Tommy Jr had bought himself a brand new silverado truck with a 454 engine and he thought it was the fastest truck around, and it was until Tom Sr and my Dad took that 351 Cleveland engine out of Tommy Jr's wrecked Ranchero and put it in my Dads truck and they both raced down 13mile road and my Dad beat Tommy Jr LOL! Bobby was laughing his butt off at Tommy Jr and Tommy Jr couldn't believe it, he was like how could Louie beat him and Tom Sr and Bobby said that 351 Cleveland engine.... was HEAVYDUTY! and they all had that Richter Grin smiling away from ear to ear . Well I guess I talk to much . Im sorry Bobby, I wish we had stayed in touch.... It hurts.”
