“*"I am so sorry to hear of Bob's passing. Pat and I had the pleasure of meeting you through baseball. Our son played together or against each other. All I remember is laughs with Judy and Bob about the things our kids did. Words cannot express how badly we feel for your family. We are still in Eastpointe I was looking up information about a friend of Pat's and came across Bob's obituary. The video was such an awesome tribute. Judy please take care and May God bless you always."*

“*"I met Bob and the rest of the family in 1961. With the other guys in the neighborhood, we'd always congregate at Bob's house and go from there: two baseball games per day in the summer, touch football in the street or behind Colonial Federal Savings on 9 Mile Rd, neighborhood tag on Honda's little motor bikes we could rent at Joe's Shell station, and many, many games of double pinochle and Euchre trying to out cheat each other. It was a good time with good people and it was like yesterday. Adios Roberto, y vaya con dios."*
