“ Dear Ann, It is said that nurses take care of their patients and that the patients will remember them long after they leave, I find that that is the opposite with Robbie. I consider myself lucky to be able to be one of Robbies nurses. Even though I no longer work in homecare, Robbie taught me a lot about compassion and life. He truly was a great person and patient. You need to take care of yourself and remember all of the fun times, including the Pecan Pie. Forever in my memories and heart. Amanda Kuula

“ You did not know us well, but you gave us a precious memory. We bought you lovely house in Chesterfield, Mi. We have lived in your gracious home for six happy years together. The love you had together stayed in the house too. May you rest in eternal peace with Jesus. Ellis and Donna Gauthier.

“ Oh, Robbie. You were always there for us, your neighbors, be they human, canine, or squirrel. You were always there to lend a hand, push a wheelbarrow, ride a lawnmower, fix a leak, or whatever we needed you to do. Doug will feed the squirrels. We will try to console Rio when she can't find you at your back door. And, of course, we will look after your Ann-a-bel. I will never wear my Victorian dress without thinking about you. You will live on in our hearts forever. Love always, Doug and Marie

“ Dear Ann, Were so sorry for your loss. Robbie was one of a kind. I don't think we'll ever meet another man like him. He has a special place in our hearts. He will be missed...by all 3 of us. We love you Ann!
