“ *Dear Patty, I am sorry to hear about Bob's passing. He is no longer suffering here on earth, but rather enjoying his heavenly peace. Bob and Stosh and Frank are all sitting by the campfire in the sky, sharing a laugh or two like they did before in Lex.*

“ While we do not want to lose them, neither do we want them to suffer. Bobby is in the only hands now that can take away his pain and set about giving him wings to become the family's guardian angel. I have asked Ted to make a place for him at the North Shore bonfire in the sky and we send love and prayers to your family as you go through this difficult time.
