“ Just found this. He's was my neighbor a few years ago. One of the kindest people I have ever met. Welcomed me to the neighborhood. I wish I went back and visited after I moved.

“ Dear Rotarius family,

I am so sorry to hear about your loss. I grew up 6 houses from the Rotarius family and they are wonderful people. As a kid I used to watch Mr. Rotarius restore his old vehicles. He was very patient and answered all my questions. He used to give me some of the spare parts like the carburetor so I could take them apart and put them back together. He was a big influence on my passion for automobiles and led me to become an automotive engineer which I have been doing for over 30 years now. I credit him for feeding my curiosity. He will be missed and will always have a special place in my heart. I am sorry I have to miss services due to some travel. His bless the whole family and you have our prayers. “ I am so sorry, Rotarius family!! I loved your dad! He was always so kind to me: “The little girl with the big dogs” he always used to say! I loved his smile, and how he was the best dad! One of my favorite memories was when he took me and Mary for a drive in the old car with the rumble seat on Jefferson avenue, and we would wave to other cars while we drove by the lake. No seatbelts required! Always kind, always smiling, he is with your mom now. He will always be in my heart, a piece of my childhood, a part of your family. Love and prayers to all of you.
