“Dear Caroline, just coming back from travel, we are very sorry to learn of the passing of our friend Bob. We join you, the family and all his friends in the mourning of a wonderful human being. To work with him on a joint project was not only fun but, we all respected him for his knowledge and professional bearing. This included his ability to defuse heated debates between colleagues by being an example of patience, moderation and understanding to all of us. He always succeeded in his endeavors to help the team out of a crisis situation. We, from the German side of the Integrated Fox Team, are very grateful for his services to the team and many of us befriended him personally, because of the wonderful human he was.”

“Dear Caroline and Family, Our hearts go out to all of you at the sudden passing of Bob. As cousins, we were blessed to share many hours of our families being together. Bob always had a special gift of mindfulness for others and shared with them his humor, his peacefulness, and his faith. You and your children, grandchildren, and great grandchildren are in our thoughts as we thank God for having Bob be part of our lives and as ask Him to comfort you in the days ahead.”

“Carol, we were so sorry to hear about Bob's passing. He was such a wonderful God-loving person and Paul always had the greatest respect for him --- said he surely should have been a Pastor. We pray for God's comfort for all of you at this terribly sad time. Blessings, Paul and Ruth Germeroth”

“*The Marchionna Family would like to extend our heartfelt condolences to you all for the sudden loss of your Bob; here from this earth. We can't thank the Lord enough for granting us the opportunity to know him as a friend and Christian brother, then for Bethann to have the privilege to serve the Kingdom of God in Kaz. with him as a Camp Joy team member. Bob is a true example of the light and love of Christ. The photo that was attached is one of my favorites and brings tears to my eyes recalling how he prayed over the kids during each camp! The orphans lives I know are better because of his faithful and loving prayers! We know that there are no earthly words that can ease your broken hearts right now, yet we will storm the gates of heaven, with everyone else in prayer for you all, and stand on God's promises, knowing the Lord will uphold you and that Bob is worshipping on streets of gold. With much love David and Bethann (Bubba)*”

“*We always referred to Bob as "little Bob" in elementary school. I and one other "Bob" were a little bigger at the time. Of course he outgrew me. I enjoyed seeing him again at my class' 50th reunion. Will say a prayer for you this evening. Bob Gibson*”

“I came to know Bob while members of the Stephen Ministry at Faith. He was obviously a strong, knowledgeable Christian, whose faith was evident in the way he lived everyday life. His humor came through in the most unexpected ways, and was enjoyed by all. Bob, you will be greatly missed by those of us who were fortunate to know you. Enjoy the presence of God as you rest in his arms. Linda Palicke”
