“I offer my Heartfelt condolences to FAMILY and Friends, I am deeply Saddened I began work at D-DOT in 1974, we, women joined a majority male work force. I can say, during our encounters. Mr. Vander Voort was a gentleman and always respectful. I retired as Supt. of Transportation in 2012. Transportation learned to work well with Vehicle Maintenance and Bob, we assisted each other. When situations would appear to present a problem with meeting our scheduled requirements, involving vehicles availability, Bob would address the concerns immediately. Sometimes we would be at the terminals at 3 or 4 o'clock in the morning. Often times problems would be addressed by phone..... Sometimes a (B-Inspection coach) would show up with strict instructions: "Bring this BUS back by 9:00 am", or else. Bob was appreciated, he cooked good B-B-Q at Department picnics Vander Voort will not be forgotten May the Almighty continue to provide your Family the courage and strength to bear the pain and rejoice in the MEMORIES. Helen Madden, retired Detroit Department of Transportation"
