“ *"Sincere condolences to my cousins, it's never the same after losing our parents. Uncle Rocco will always be remembered for his strong will and lessons he passed on to each of his own children through hard work and keeping family together. He's produced talented individuals in each one of his own, a very large family to carry on the Rogers legacy. RIP Uncle Rocco, you are loved."*

“Our condolences to all the family, it is a time to treasure all the good memories of Uncle Rocco and all that he did that made a difference in our lives. He was a loving man in his lessons of life. He raised a beautiful family and taught them much. The talents and love would be his, (like your Mom's) wish to be carried forward forever. He will be remembered for his strength in this world. RIP Uncle Rocco..with much love.”
