“ Roger was a loyal and long time member of Vietnam Veterans of America, Detroit Chapter 9. I first met him in 1981 as we renovating our future headquarters, "LZ Motown" in the infamous Cass Corridor. Despite his physical and verbal limitations Roger participated in every activity he was able to. Chapter 9 has so many wonderful memories about him. A great man and a true warrior.

“ My beloved cousin Roger has been so faithful to attend almost every family reunion I ever attended, including the ones I planned...even when there were only a handful of us (COVID year, etc.). :-) Roger was one of the nicest, most humble family members and always had a sweet smile to share. We are all so grateful for his service to our country. Freedom is NEVER free. It always comes with a sacrifice, and Roger was willing to make it so the rest of the USA citizens would have freedom of speech, faith, property, and more. Thank you Roger!!!! In his final days, Roger (being so family oriented) made sure to stay across the hall from my mother Rita in the hospital. What a true soldier until he passed. We love you and miss you, but we know you are in a heavenly realm now and in no more pain. Love, Gregg & Marie Marinelli
