“ I was shocked to hear of Ron's passing. We watched him play baseball thru the years. Such a happy and pleasant person.

“ I remember Ron from Anchor Bay Junior High School. I regret that he was often teased by the other kids, and yes, I was one of them. I wish I had been able to tell him how sorry I am that he had to endure that. It took me 30 years but after my children were diagnosed with autism I finally developed some sensitivity. I had always wondered what had happened to Ron; when I Googled his name recently, I found out the unfortunate news. To his family, please, I ask for your forgiveness. To Ron, hey, say a prayer for me if you don't mind.

“ To the Family of Ronald J. Dekker, I am so sorry for your loss of Ronald. My deepest sympathies and condolences to everyone in Ron's family and to all his friends. I am deeply saddened by the news of Ronald's passing. I just found out tonight, September 3rd, 2012 one week before the start of our fall bowling league at Rosebowl lanes in Roseville, MI. I've bowled the past two fall seasons with Ron as a teammate of mine. I was lead-off and he bowled second behind me. I consider Ron to be one of my friends and will miss him dearly. My family and I don't receive the Macomb Daily so I did not find out of his passing when it happened. I would have come to show my respects to the family. I give them to you now and pass on my prayers and sympathies to the family from me, my family, and all the bowlers in the leagues that will miss seeing Ron on a weekly basis. He was a joy to have around every week and he was a fun guy to bowl with especially seeing him deliver the ball with his trademark delivery of having the ball sail through the air two feet above the lane, land, then make a bee-line for the pocket. I will miss him greatly this fall. I hope he ascended to heaven and GOD received him with open arms and gave him a big hug. Then assigned him a golden lane number and said don't worry, every ball thrown here is a strike. Sincerely, Richard Skrzyniarz, aka Rick Sky Lead off bowler for team #29 Ron's Crew (that was our team name this past fall season) on the Our Lady Queen of Peace bowling league at Rosebowl Lanes, Roseville, MI The fall season starts next on Monday September 10th.

“ I have just learned of Ron's passing and am so sorry for your loss. My grandmother lived on Shamrock Dr and he used to come over to visit her and I when I was younger. I often saw him at Kroger and would enjoy talking to him. I never saw him without a smile. If you could please email me as to some additional info regarding Ron I would greatly appreciate it. somfun06@yahoo.com

“ My prayers are with you at this time. Rons smiling face will be missed by all he knew. I worked with him at Kroger and he worked with me on the Mount Clemens Santa Parade. I can see him in that silly hat as I write this and it makes me smile. I will think of him often.
