“ Over the last four or five years, I have enjoyed seeing Ron and Paulette on the bike path as they faithfully rode their e-bikes. Often we talked about riding or church or their children and grandchildren. I shall miss Ron and think of him each time I ride. Tom Addis

“ Ron,  
You will be missed brother in law. Your love of family & faith live on through those that you touched throughout your life. Always available to lend a hand , share a passion of yours whether it was biking, boating, trains, or music. Oh yes, we shared a few guitar licks together ! You always had an excitement for life that was contagious. Knowing you are in a better place still leave a void within our hearts. We love and miss you Ron,  
Teri & Chris

“ *Ron first came into my life when my sister brought him home for all of us to meet him. I was around 13 years old. He has been a part of my life ever since. He was a great accordian player, he played at both of my daughter's weddings. He has always put God and his family first. He was a faithful husband to my sister always. We will all miss him. My youngest grandson really enjoyed him and he loved his trains. He especially loved his own grandchildren and was a great grandpa to them all. May you rest in peace.*

*Dearest Ronnie, I wish I had known you were this sick. I wish someone had let your numerous Bilida cousins know that you died. Not being able to say goodbye is the worst. I will miss you so much. You will always be in my prayers.*

*Love you,  
Margaret*
