“ I always had a great respect for Ron. From the moment we met when I hired on at Ka-Wood, he was always very patient with me, whether it was reading a blueprint, measuring with a micrometer, or any of the ins and outs of learning the gear cutting business. We shared a love of basketball as well as a love of classic cars. I hope he is living the dream in his next life, and I will continue to admire him from afar. Donna, Greg and Jason, our thoughts and prayers are with you.

“ Donna, Greg, and Jason, we offer deep sympathy to you on the loss of Ron. We shared many good years at Faith Lutheran with you all! Jason and Eric shared a dorm room at Central while we shared concerns for our sons! We wish you God's love now as you face the days ahead without husband and father!. Lois and Jerry Moots

“ We met Ron several decades ago as we both loved golf and volleyball. We spent many years and often got together. May he rest in peace and Donna find comfort from memories of the many years they had together.

“ Golf and the lunches afterwards over the last 15 or so retirement years was how I met and knew Ron. Ron Silas was one of the "good guys", one of the people you're glad that life's activities gave you the opportunity to know and enjoy. Ron impressed me with determination to compete and enjoy, even as the years took their toll. Love and prayers for Ron. Ed Freeman
