“ Mom,  
I am so thankful that God blessed us with such a wonderful gift as to have you for our mother. Every memory of you brings a smile to my face, and always will. You were there for everything that I ever needed. I have always had such love and respect for you. Some children go though life always longing for the true love of a parent and us kids were always so fortunate to have you and Dad for our parents because we never longed for anything. Thank you for a life filled with love and joy. I can't wait until I see you again in Heaven and can hug and kiss you once more. Until then I will always remember those 3 words..."I love you."
