“ Mrs. Manna was my piano teacher in the 1970's and early 80's. She was a tough teacher who never gave up on even her toughest students (such as me). I am glad she didn't as playing piano has brought me incredible joy and wonderful learning challenges over the years. Every time I sit down to play I cannot forget to think about who was responsible- Mrs. Manna (and my Mom). Thank you and your family...you will be missed by all but you will never be forgotten...your spirit lives on in the music enjoyed by your many students.

“ Dear Lenny, Sorry for your loss. Your mother was a terrific musician and the best music teacher anyone could ask for. She taught me everything I know about music and to this day I still appreciate her teachings. I remember her always asking me "did you practice this week?". She will be missed. The Lord just got a new member in His band.
