“As a coach, but more important, as a person I was blessed to have Rosemary and Bill in my life. Their dedication to Bishop Gallagher and to their children was always something that was very visible to me. Shawn and David efforts in athletics and the classroom came from the support of Mary and Bill. I'm sure Mary and Cathy also were blessed with their parents support. I will celebrate the life of Mary with The joy that she brought to all who knew her. God Bless the Peralta family and I will always remember the smile of Mary.”

“Rosemary (Ashes) is the most memorable person I ever worked with and one that left an impression on all those with whom she interacted. She was a Yoda to many and a friend to all. Her attitude, in light of life's happenings, was remarkable and she was such a wise, wise person. Her "intellectual" humor was always something to be ready for, her casino stories were always FUN, and her concern for others constant. Governor's Luncheons, State Fair Programs, just the right Sponsor Gift, St. Patty's Day, and the Love of her family will be my lasting memories of Rosemary. I have a small bottle of Johnny Walker Blue that she shared with me which I will take a "wee sip" of on occasion and remember our times together. One of the bits of sage advice Rosemary shared with me (and many others I am sure) is the Greek saying that "A society grows great when old men plant trees whose shade they know they shall never sit in. Rosemary was constantly planting trees and will forever serve as an inspiration for those she touched.”
