“Oh Sammy the stories you have told. If it was a book you wrote the type would be so bold. The memories you shared them all, some happy, some so sad. I so enjoyed our times of talk, my precious, special Dad. There was not a day gone by that your love you did not show. You always had a story wherever you would go. Our days together were so special how quickly they did go. We had not much time left, but that we did not know. We were all so very blessed to have you for so long. You were such a force in all our lives and then you were gone. Our memories are strong and vivid we had to let you go. The emptiness left in our hearts of that we did not know. Godspeed my Daddy dear I will hold your memory always near.”

*Hello & good morning Josie, how r u doin
I am contacting u on this Sat. morning u & the whole family have been
in my mind & heart for quite a long time as u may well know.
Now i looked up a name or 2 online & vyala low & behold there was the
whole family & i kept scrolling & the more i scrolled the more i wanted
to know because what i was reading wasn't very satisfying.
So my ur dad passed away back a few yr's. ago " that happens to be
the same yr
of my vehicle" & then i read some more & ur sister [my x] Roseanne
has passed away also.
So wow i am really saddened to have read about all of ur sorrow in
recent yr's.
Myself i have a few siblings that have passed away also it's really not
all that great on my life either but i am still here for now so it's been
great but not so great att the same time i know, so till another time be
