“*My condolences to all the Pirrone family. I was probably "adopted" son number 22 of his, as he and Mrs. Pirrone welcomed so many of us into their home over and over through the years to share in family meals, laughs, music and crazy-wild Lions games on the TV! What a sweet, loving man who set a fine example of keeping his family as his top priority in life. Thank you for being a part of my life, Mr. Pirrone, as I feel privileged to have been a small part of yours. RIP."*
