“ I will never forget the first time that I met Sandy. It was 1989 and Paul and I had just started coming to New Life. Sandy was one of the first people that welcomed us and I will never forget what she said. She introduced herself and she pointed Mark out to me and told me that was her husband. I pointed out my husband to her and said his name was Paul and she promptly told me why he looks just like Morgan Freeman. I had no idea at that time who Morgan Freeman was, and to this day I don't there is any resemblance. Every time I see Morgan Freeman, it makes me laugh and I think of Sandy. Knowing she has passed on saddens me. Paul and I loved Sandy and will miss her. We send our love and condolences to the family . We too can picture her beautiful smile and her dancing in Heaven with her Savior. Love Paul and Charlene.

“ In our younger days at New Life church, Carol and I developed a close bond with Mark and Sandy that was very active until Sandy became ill. We believed that this would pass and we could resume the joy of spending time together. In life we have resolved that no matter what we ask of our dear Lord in prayer that we need to follow the example of Jesus when he prayed to the Father, “nevertheless not my will, by thy will be done.” We have learned that asking for His perfect will in all things is the best prayer of all, without exceptions. The Lord loves us and cares for us far more than we could fathom. We know our dear sister Sandy is home and Our God has promised to wipe away every tear. We rejoice in this and in the Father’s unconditional love.

“ Sandy and Mark blessed us visiting (Dave and I (Debbie Finlay) at cottage on black lake. We had so much fun. Mark was a blessing wiring the cottage. I moved to Florida years ago and visited Sandy at U if M AnnaArbor. I was so happy she was getting better. The Lord has her in his arms, no more pain. Truly blessed knowing her.
