So sorry to hear of Sandy's passing. She was a kind-hearted person. I didn't know her well but the few times that I meet her and felt her warmth and caring attitude. My sons, her step-sons, Paul and Scott Hoefft send our deepest condolences. May she rest in peace. With sincere sympathy, Joy (Hoefft) Hellmann.

“ I worked with Sandy for several years at Warren Cons. Schools as bus drivers. I just happened to run into her in Chesterfield on Nov. 26th. I'm so happy I had the opportunity to see her again, she looked wonderful. She always had a smile.

“ Dear Dear Sandy. You were a very very special part of my life.! We met when we were in grade school I don't remember what grade but I remember spending time at your house with your parents and going on trips with your grandparents to Port Austin many times. Such a blessing knowing you and spending time together.

Through the years we lost touch as I moved away from Michigan but I'm glad we were able to connect for the last maybe 2 years and get caught up. You'll always be a special part of my memory.

Remember my first date your Mom and you talked me into double dating with you to a Sadie Hawkins dance. Even though I was so nervous you were so up and vivacious.

I'm trusting that we will be seeing each other in Heaven and we will be spending eternity together forever.

We did agree on Jesus is the most important part of our lives. I will try and post that picture I don't know if I'll be able to of our first double date together. Miss you. Love Cecile xxoo

“ Sandy was an amazing woman with so much love to give everyone she knew. My mom and her have been friends since elementary school. Such a friendly and vivacious person who made friends easily. I really enjoyed her company. My mom and I will miss her dearly and can't believe she's gone. God's blessings Sandy.
